ROLLINSFORD - William Lewis Janetos, 62, of Rollinsford, N.H. passed away peacefully on Monday, May 25, 2015, in the presence of his loved ones after a brief, unexpected illness. Born October 17, 1952, at Camp Cook, Calif., Bill was a graduate of Rollinsford Grade School, Rollinsford, N.H., and graduated in 1970 from Somersworth High School, Somersworth, N.H. He was a Plant Science major and a Math minor earning a Bachelor of Science degree from the University of New Hampshire in Durham, N.H. in 1974.

In his youth, Bill excelled in music as a pianist and as a member of the local Echo Hill 4-H Club with projects in Entomology, Poultry, and Gardening. As an orchid, amaryllis and crocus collector, he spent 39 summers traveling to Latin America, South America and Greece to harvest specimens. Bill, an avid hobbyist, held several of the offices in and wrote many newsletters for the following groups: Great Bay Stamp Club, the New Hampshire Aquarium Society, New Hampshire Orchid Society, Maine Orchid Society, and Species Hippeastrum Collectors United (amaryllis) and the Crocus Group. He was employed by Janco, Inc. and Janco Electronics, Inc. as a computer specialist responsible for inventory and payroll for 42 years. He was seasonally employed by Wentworth Greenhouses for 54 years. Bill is survived by Lewis and Eleanore Janetos (parents), Mark Hamm (partner of 29 years), Rollins (brother) and his wife, Jean Janetos, Julie (sister) and her husband, Richard Hurley, all of Rollinsford, N.H., and Donna (sister) and her husband, Stephen Ferranti, of Bedford, N.H. Bill is also survived by his nieces and nephews, Lewis and his wife, Drew Janetos, Paul and Matthew Janetos, Charles Ferranti and his fiancée, Litsa Zgonis, Sam and Sara Ferranti, Amanda, Leo and William Hurley, and grand-niece, Maria Eleanore Janetos.

**Note from Charles Smith, NHAS:**

Bill Janetos, a long-time member of the New Hampshire Aquarium Society and Northeast Council, passed away on May 25, 2015. He was the editor of the NHAS monthly publication, The Granite Fisher, and former president. In addition to spending years in the aquarium hobby, he was an avid collector of tropical plants and frequently went to Central America to gather new specimens. A good friend and gentle man, he was kind and generous and laughed easily. He will be missed by his many friends from within the club and elsewhere.
The Boston Aquarium Society is looking to Borrow, Buy, or Rent a 100-year old Antique Aquarium.

Next year will be the 100th anniversary of our club and we would like to celebrate it by exhibiting an authentic 1916 aquarium. If anyone has any thoughts or ideas and would like to contribute to this project please weigh in.

"The Cichlids are Coming!"

Once in a lifetime opportunity!
The American Cichlid Association National Convention has never been hosted in New England and may never be again. About 13 years ago it was held in New Jersey, which is the closest it has been and we don’t expect it to be hosted this close for many years more.

What is the convention like?
The convention is a big social event. Everyone is very friendly and always enjoy talking about our hobby with others. There are many opportunities to make new friends and learn many new things about our hobby.

Selling fish!
Anyone attending the ACA convention can sell fish, all types of fish not just Cichlids. There are 2 ways attendees can do this. You can sell out of your hotel room or you can sell out of the tank rental room. Many people will set up tanks or tubs in there room. For this you will post on a vendor board in the main area of the convention and it will tell everyone what you have for sale and what room you are in. Selling fish out of the rental room is very easy. The tanks are all set up so you just put your fish in and put your label on the tank. You can rent 10 gal for $20 ea and a 20 gal for $30 ea for the duration of the convention. This is a great way to offset the cost of the convention and many people make a few extra dollars selling fish this way.

We have a great speaker lineup and most of them you can never see at your local club. They will cover the full gamut of cichlid topics, including Central Americans, South Americans, Discus, West Africans, Madagascans, and Lakes Malawi, Tanganyika and Victoria. There will be a talk on nutrition, and even one dealing with the humorous side of the hobby. Hear from the experts that have been around the world diving, collecting and studying cichlids in their natural environment.

**Auctions!**
There are 3 different auctions. On Thursday night there is a dry goods auction, product donated by the many vendors that will be set up in our vendor room. On Friday night, there will be a fish auction to raise money for the Guy Jordan Fund and the Paul V Loiselle Conservation Fund. Rare fish donated by fish farms, retailers and hobbyists will be available. And on Sunday, there is a huge fish and plants auction. This is just like the Sunday auctions all of the clubs have, only bigger. Everyone is welcome to come buy and sell fish in the auction, even if you have not registered for the convention. There is a 70/30 split with 70% going to the seller and a $1 / bag fee.

**Huge all Cichlid, fish, photo and art show!**
This will be a huge show and we expect to have about 200 entries.

**Awards Banquet!**
On Saturday night, we have the banquet where we give out all the awards from the show. We also have a speaker presentation. This is another great opportunity to socialize with some new friends and speakers.

Register today at **ACACONVENTION2015.COM**
**Hospitality Suite!**
Every night, after all the speakers and auctions are done, the hospitality suite opens. This is another great opportunity to socialize and make some new friends. There will be free beer, soda and snacks. This is where many of us will gather to talk more about our great hobby.

**Vendor room**
We expect to have over 30 vendors were you can see new product, ask questions about products you are interested in, and of course buy some.

**Kids Decorating Contest**
Children between the ages of 8-15 can enter the Kids Decorating Contest. Entry is only $10 and you get to take home a complete 10 gallon set up. This includes the 10 gallon tank, hood, filter, gravel, ornaments, and fish! In addition, you do not need to be registered for the convention to enter the Kids Decorating Contest.

**Count me in!**
Let’s show the rest of the country that the Northeast can support a first class National Convention.
